

CE CLASS SCHEDULE

Greetings All:

As a follow up to our initial first quarter CE web classes, we are pleased to announce our Spring and Summer line up of state approved Pennsylvania continuing education classes. The CE programs will be offered in a web-based format providing you with the opportunity to attend virtually and receive Pennsylvania continuing education credits to meet your insurance producer's licensing requirements. The classes are also a great educational experience for individuals not needing producer CE credits but may be interested in the general topic.

The registration fee for Allegheny Chapter CPCU members is \$10 per CE class. Non-Allegheny chapter members may attend at the standard registration fee. Listed below is a description of the CE class schedule with a link to register.

If you have any questions, please e-mail or call.
